## Salsa & Guac Prom 2017

*Down, down, do your  
dance, do your dance  
Ah, let me see ya do the  
Cupid shuffle, the Cupid,  
Cupid shuffle....*

On June 22, more than 225 students, guests, and chaperones got down to do the Cupid Shuffle at the third annual Port View Preparatory Prom held at the elegant Anaheim Hills Golf Course Clubhouse in Central Orange County. In addition to a spectacular venue, guests enjoyed a Fiesta theme, fun photo props, and the opportunity to dance the evening away. Thanks to all those who worked to make the prom a spectacular success!

## Teacher Spotlight: Mr. Lolmaugh

"I love seeing Port View students arrive at school with smiles on their faces, riding scooters at lunchtime, playing basketball with their friends, and earning reinforcement throughout the day for doing a great job in class," enthuses Mr. Lolmaugh.

He also enjoys what he refers to as "the awesome team of people" that he works with at Port View. In his free time, you'll find Chad spending time with his wife, daughter and two dogs either on one of their many hikes, or at the beach. A big fan of all sports, he also enjoys riding his skateboard and playing soccer.

## Teacher Spotlight: Mrs. Neer

Guiding students toward more independence by achieving their Occupational Therapy goals is the best part of Eli Neer's job at Port View Preparatory.

"I love working with our students and being a part of the passion that parents, teachers, administrators, and service providers all share to be a part of that success." When she's not at school, you'll find Eli somewhere in the great outdoors -- either hiking, at the beach, or traveling to new destinations with her husband.

## Student Government in 2nd Year

Port View recently celebrated the second anniversary of its popular Student Government program. Each year, students elect a class President, Vice President, Campus Chair, Events Chair, Secretary, and Classroom Representatives. Student participants benefit from greater self-esteem, new friends, and having a decision-making role in student activities. Just ask some of our students who enjoyed super fun events and great snacks because of the Student Government Council recommendations.

The 2014 My Voice National Student Report by Professor Russell Quaglia surveyed more than 66,300 students across the nation. According to the report, students who feel engaged are 16 times more likely to want to do well in school.

Self-worth and engagement are important for ALL students and the Port View Student Government program invites all students to participate!

## Summer Fun
